THE LORDSHIP OF CHRIST

RP INTERNATIONAL CONFERENCE is a six day “family reunion” held every four years. The conference brings a segment of the Family of God together which includes new families who have united with the RPCNA, as well as families with a rich history of God’s covenant faithfulness over the generations. Family members come from places as far away as Africa, Australia, Cyprus, Ireland, Japan, Scotland and perhaps East Asia and Middle East. Over 1600 people of all ages enjoy fellowship focused on the Word of God expounded, the Psalms sung, and prayer. Beyond such worship experiences there is plenty of diversity in workshops, seminars, classes for all ages and recreation. It is a golden opportunity for the young people of the church to learn how the Lord is moving among peers throughout the world. From talent night, to the consecration service, to the social events, to the free time, becoming acquainted with the members of Christ’s Family helps passages such as I Corinthians 12 come to life.

PURPOSE: RP International Conference is a God-given opportunity for the strengthening of this portion of the body of Christ. Its purpose is fourfold: 1) to foster and develop spiritual growth; 2) to worship God corporately; 3) to promote the mission and ministry of the church; and 4) to encourage and enrich Christian fellowship.

ATTITUDE: We ask that you come to the conference with an attitude of reverence for God, an attitude of enthusiasm for what will take place, and an attitude of service toward others to help make their conference experience a good one.

LOCATION: RP International Conference is meeting in a new location, Indiana Wesleyan University in Marion, Indiana (1900 West 50th Street, Marion, IN 46953). Marion is located just off I-69 and the IWU campus is on the south side of Marion near the intersection of SR9 and SR37.

Departure times from the airport on Saturday, July 21 are 2 pm and 6 pm. The return to the Airport on Friday, July 27 will depart the campus at 9 am. CONFERENCE FEE: The total conference fee per person is made up of two components: the lodging fee depending on the type of lodging chosen, and the meal and program fee based on the age of the person. In addition, registrants may be full time or part time. The fees associated with each of these choices are listed in detail on the enclosed registration form.

ACCOMMODATIONS: Indiana Wesleyan offers comfortable, modern summer lodging with air conditioning and free high-speed Internet access in all the rooms. In addition, all rooms are furnished with comfortable beds, desks, chairs, dressers, and built in closet space. Bed linens, towels and pillows are also provided in all rooms.

LODGING OPTIONS: IWU has the standard two bedroom dorm suite, four bedroom dorm suites, and three lodges containing two and three bedroom lodge suites.

DORM SUITES: All of the dorms contain dorm suites, which are two bedrooms (two beds each) sharing a bath. Individuals can choose to share a room with another person, or pay more for a room to themselves. Single adults and all high school students, along with their counselors, will be in this type of lodging. Married couples without middle school or younger dependants will also be assigned to this type of lodging.

Families can also select the dorm suites. Depending on the size and ages of the family, they may need to be housed in more than one dorm suite, or one or more members may be housed at the individual rate in nearby rooms.

FOUR BEDROOM DORM SUITES: There are a limited number of four bedroom dorm suites available for families. The four bedroom suites contain four bedrooms with two beds each, a living room and a single large bathroom with two showers, sinks and commodes. The four bedroom dorm suites can be requested on a first-come, first-served basis.

TWO AND THREE BEDROOM LODGE SUITES: IWU has three lodges which contain two and three bedroom suites. Each bedroom has two beds, and each suite has a living room, and a kitchenette with refrigerator and microwave (no cooking or dining utensils are provided). The two bedroom suite has one bathroom and the three bedroom suite has two bathrooms. The lodge rooms are available on a first-come, first-served basis.

FAMILY DISCOUNT: New to our conference this year, lodging discounts are available for immediate families. IWU defines an immediate family as “those with the same permanent address”. Family rates are available for dorm suites as well as 2 and 3 bedroom lodge suites.

For those families that bring a friend, or if extended families have cousins that wish to room together, the non immediate family member will pay the single person lodging rate.

This discount is subject to the rules established by IWU; RP International conference staff is required to adhere to them. There will not be any exceptions. If you have questions about how to apply the family rates in your situation, contact the registrars at registrar@rpinternationalconference.org. Other questions or comments about this discount should be directed to Don Phillips at operations@rpinternationalconference.org

MIDDLE SCHOOL AND HIGH SCHOOL HOUSING: Those entering 9-12 (9th graders must be at least 14 years of age) will be staying in a separate dorm with counselors. Those entering grades 6th-8th will be under the supervision of counselors during the day but housed with parents or a guardian at night.

Anyone high school age or younger must be accompanied by a parent or an adult (over the age of 21) who will serve as a guardian and chaperone for the young person. If there are any disciplinary problems with the young person, the parent/guardian will be expected to help in solving them and, if necessary, may be required to take the young person home early.

ROOM KEYS: Keys will be issued to each conferee High School age and over. A lost key results in a \$45 fee.

SPECIAL ROOMING REQUESTS: If you have a need for a first floor room or a wheelchair accessible room, please indicate this need when you register on the registration form attached or online.
